Mr. CAMP. Mr. Speaker, I rise today to pay tribute to Chairman Paul F. Orefice of The Dow Chemical Company for his distinguished life and career as he nears his 85th birthday. Mr. Orefice is a true American success story, having immigrated to the United States from Venice when he was 12 years old to later becoming the CEO of one of the world's largest and most recognized corporations.

Paul joined The Dow Chemical Company in 1953, after graduating from Purdue University and serving two years in the U.S. Army during the Korean War. He maintained a variety of international assignments early in his career before being named President and Chief Executive Officer in 1978. His adept business skills while head of the company helped him become the first person to receive both the Palladium medal and the Chemical Industry medal in the late 1980s. He was named Chairman of the Board in 1986, and served in that position until his retirement in 1992. Throughout his tenure, The Dow Chemical Company remained one of the largest and most well-respected manufacturing companies in the world.

#### CRANE HERITAGE DAY HONOREE— EVELYN STRODER

#### HON. K. MICHAEL CONAWAY

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 20, 2012*

Mr. CONAWAY. Mr. Speaker, I rise today to celebrate a stalwart of our community, Evelyn Stroder, who is being recognized as this year's Crane Heritage Day honoree.

When I think of what it takes to make a strong community, I think of someone like Evelyn. Communities can be united in many aspects, but one central component found in strong communities is service. And service to our community has been at the core of Evelyn's life.

Evelyn's journey began in Corpus Christi where she graduated from high school and attended Del Mar Junior College before she went on to earn a B.A. in English and Journalism from Baylor University. Later she earned an M.A. in American Literature and Mass Communications from UTPB.

In 1955, Evelyn and her husband, Charles, moved from Corpus Christi to Crane. Once in Crane, Evelyn would use her education to give back. She served others as an educator for 28 years and continues to serve on the Crane School Board. While Evelyn no longer teaches, she still remains active in the Permian Historical Society and the Crane County Historical Commission. Her journalistic accomplishments include her presented papers and published work in a variety of publications throughout Texas, and currently she serves as the assistant editor of the Permian Historical Society Annual.

One would think that with such a busy schedule, Evelyn would not have time for much else in life. However, in between all these accomplishments, she has managed to raise three children, seven grandchildren, and six great-grandchildren—a notable accomplishment in itself!

On behalf of the 11th District, it is an honor to recognize Evelyn because she is an example of those who have made our nation strong. Our nation did not become great from the top down, but from the bottom up—from the people in our neighborhoods willing to serve and make their community a better place for others and their children. Evelyn is one of these individuals. Through this award, she is rightly recognized for the time and sacrifice she has dedicated to others and it is an honor to represent her in the Halls of Congress.
